Re: CITY OF CORONA – CHANGE IN AUCTION LOCATION

In accordance with the Historic Civic Center Lease and Use Policies and Procedures (“**Use Policy**”) approved by Corona City Council Resolution No. 2010-028, the front entryway area of Corona’s Historic Civic Center located at 815 W. Sixth Street, Corona, California 92881 shall no longer be used for the purposes of holding public auctions.

Section 16 of the Use Policy states: “Neither the Historic Civic Center nor its grounds is a public forum or other area open to expressive activity.” Additionally, auction activities have become a nuisance to the private businesses located and conducting business in the Historic Civic Center. Auction attendees frequently block entrances and exits creating safety hazards, knock on windows of the private businesses, rattle doors, and auctioneers’ loudspeakers interrupt private business activities.

New Auction Location: **Effective June 14, 2010** (“Effective Date”), all such auction activities are to be conducted in the area in front of 847 W. Sixth Street, Corona, California 92881, as shown in green in the attached aerial photograph. The newly-designated area is approximately 150 feet from, and within sight of, the current location. Therefore this new area will not present any difficulties to your audience in finding your auctions. To that end, temporary signs will be erected at both locations directing participants to the new area.

A 45-day grace period is in effect beginning on the date of this letter to provide your organization ample time to change the address shown in your legal notices. Please note that as of the Effective Date, all auction activities will no longer be permitted at the current location.

If you have any questions concerning this notification or would like a copy of the Use Policy, please feel free to contact Dave Batson, Property & Contract Administrator at 951-279-3767.
